

This Friday 25 October is the last day for parents and carer's to complete the Tell Them From Me survey. This survey will help our school understand parents' and carers' perspective on their child's experience at school. These include: communication between parents/carers and staff, activities and practices at home and parent/carer views on the school's support of learning and behaviour. This valuable feedback will help our school make practical improvements.

The survey takes approximately 15 minutes or less to complete and is completely confidential. Although participating in the survey is entirely voluntary, your responses are very much appreciated. To access the survey for our school go to: <http://nsw.tellthemfromme.com/merryys> (hit control and click on this link to take you to the survey).

Staff members will be available morning and afternoon at school to assist you with this survey. Alternatively, there will be computer access at school during Friday Community Connections in the Community Hub in J Block. The survey is available in 23 languages.
