Dear Parents/Caregivers,

Kindergarten students at Merrylands Public School have the opportunity to participate in a **free** hearing screening on Friday 13 September. The students will have a basic hearing assessment as well as a test of middle ear function in both ears. More information is available on the attached page.

Please complete and sign the attached permission slip and tick both the boxes and return to your child's class teacher by Wednesday 11 September. There is no cost for this assessment.
